On this cruise we were honoured to have two senior members of the Sandgate RSL in attendance as they presented the CaSG with a cheque for \$2,800 to help purchase some much needed inventory items for our Cadets.
- On the first weekend of the recent School holidays some of our Cadets attended a Leadership camp at the Gallipoli Barracks Enoggera and then following that 4 of our Cadets were lucky to be given a personal tour of the visiting USS George Washington aircraft carrier.
- Cadets have also attended indoor rock climbing and a combined service camp at Murrenbong, Petrie.
- Our most recent CaSG meeting was June 1st with 7 members in attendance and 1 apology. Our Treasurer reports a balance of \$7,865.80

Touch Report

The season has just kicked off and already the girls have had some great wins and hopefully we can look forward to a possible Premiership at seasons end. We have two Year 7 teams in the competition this year which highlights the popularity of Touch and also its future. The girls are training hard and we have some great coaches on board this year.

Planning of the Touch Tour to New Zealand is now well advanced and we depart on the 16th September 2015. Six matches have been organised against various teams so this will give the girls some very valuable experience. Currently we are seeking sponsorship for our tour gear and have been successful with one sponsor coming on board which is fantastic.

Fingers crossed for a great 2015 season watch this space. Touch Rocks!

Rugby Supporter's Group – President's Report July 2015

Our last meeting was held on 20 July 2015.

RUGBY DINNER

Ticket sales closed 27 July 2015. As of meeting date over 200 sold we expected turnout hopefully over 300.

TOURING DATES

2016 Annual grade 9 tour of Northern NSW

2017 First XV tour of New Zealand probably around Easter (pre season)

BLUE CARDS

Issues with Blue Cards being resolved

TAS FIXTURES

The RSG has raised concerns in relation to issues

1. Where rain washes out games and leaves side with the bye that weekend at a significant unfair advantage
2. Where teams elect to go with uncontested scrums for what appears tactical reasons rather than safety issues. There is a genuine concern some coaches are exploiting this area which we believe is not in the spirit of the game.
3. We would also prefer to see fixtures set down for TAS on a yearly home and away basis so that teams can prepare and know who they are playing in the coming year without having to wait until near the season beginning to see the draw. School events should be organised around the draw rather than the other way round.

ICONZ RUGBY PTY LTD

Iconz have submitted a plan to the RSG which we will be working through over the coming weeks with the Director of Rugby.

REPRESENTATIVE PLAYERS

During 2015, 18 players were awarded with various representative honours either through the school or club systems. This is considered an outstanding outcome for

rugby at St Paul's and something we believe is in part due to the rugby program developed over the last two to three years. Most grades had representative players which is most encouraging.

NEXT FUND RAISER

Holt Bolt 18 October 2015 which will be a shared one.

LEEDS GRAMMAR VISIT

Some 63 Leeds players were billeted out with various families for two nights while visiting here in Brisbane with two sides playing a combined TAS team and one side playing our First XV. The junior TAS and our Firsts were successful while the top Leeds side proved too good for the combined TAS team.

The game day was a huge success and well supported. Thanks to all those who helped on the canteen on the Thursday afternoon.

CANTEEN

I received some wonderful feedback during the week in relation to the way RSG runs the canteen on match days and it appears other schools are modelling the way they run their canteens based on our model!
