

CSG General Meeting – 7th March, 6:30pm
Sutton Building, St Paul's School

Agenda & Minutes

Meeting Open:
6.38pm

Attendees: KK Lakhotia, Swati Lakhotia, Matt Ramsay, AT, Tamea Ramsay

Apologies: nil recieved

1. Business arising from previous meeting held May 2023

Square and eftpos discussion, won't be issues with reconciliation any more as SPSSA has purchased extra squares that are allocated to supporters group. Currently CSG are using Eftpos machine in canteen and it stays there.

2. President's Report

First meeting since BNJCA – two teams (how many girls? 2 only, never showed up) do we start charging for BNJCA? One team undefeated – four nominated for rep trials. Can we as CSG support them if they make it. \$100 maybe.

JTAS this term – 2 teams, not signed up on time. Have enough for three teams. New kids turning up to training asking if I can join. 7 aside on the field. Can rotate with 9, have 14 kids in the team.

BNJCA doubled, JTAS dropped. Lots of kids playing club instead JTAS in Term 4 and Term 1. Losing kids to other sports.

3. School report (AT)

Div 3 Inter thirds – team has been cancelled as not showing up.

1pm games a big issue for TAS sport – lost 20 kids out of year 7

Term 4 needs to be focus. Can host St Peters, St Pats, Padua, Ambroese Tracey – play a 4-way comp

St Paul's Invitational – take home the St Paul's cup. Can host these games and control the comp (doesn't need to be BNJCA).

Losing 9 or 10 out of opens, only 5 replacements out of intermediates. 20 regular players for the opens. Pick 12 for firsts each week, send a bowler to the opens 2nd, if we bowl send a batsman. A lot of kids working in this age group.

4. Treasurers Report

Looked back to \$14K paid \$3.5K out for training shirts (Dynasty Shirt).

Current balance

\$5990.55

Doesn't include what we've just paid out - \$2100 we're paying out.

\$5672.00

BNJCA – players pay their fee for insurance. CSG paying the registration per player which maintains the SPS club in BNJCA. Can the CSG only pay half instead of full price and have players pay the other. **Action – KK to put together some scaling pricing to see how it works.**

5. Canteen Operations Report & Proposal

Join forces with Girls Football – specifically sharing volunteers. Moved KK, Passed. **TLR to speak to Lisa**

Stocktake each term, reconciliation at the end of term

Stock list kept for each term.

Consistent prices and product consistent – generic, extras for pink & blue

Action – TLR to put together proposal

6. Date & Venue Selection – Cricket Awards Evening

40 pax incl TAS

20 pax incl JTAS

Agreed that the event off site. Ideally formal, or formal Sunday luncheon, Vic Park, Sands Social

Sunday 21st April, Saturday 27th April, Sunday 28th April

How many tickets last year, **action to check with Sebastiaan**

Save the date go out next week.

Cricket bat – KK to take picture so we can start raffles. Raffles – per team, theme.

Three raffles opens (outdoor games / cricket), inters (sport) , JTAS (pamper & choccie)

7. Survey Responses

Feedback taken on board, run scoring session to catch some volunteers. More comms on how the sport works. Using CSG at each game. Overview of feedback:

8 Responses

3 YES to volunteer 5 NO to volunteer

3 INFORMAL EVENT AFTERNOON BBQ / 4 DINNER EVENT AT WALKER CENTRE / 1 FORMAL DINNER AT EXTERNAL VENUE

Request to move back to a formal event specifically to honour the firsts, request to ensure event is catered so families can enjoy it together, rather than have to be prepping food etc

More focus on development (esp in junior school), cohesion between JTAS & TAS, coaches and managers for all teams, improve presentation of caps for firsts, more training, new uniforms.

Discussion:

Everything that came through on the survey has already been identified as a focus for CSG and cricket at St Paul's. Dinner event and Term 4 is a good opportunity to kickstart these initiatives.

8. SPSSA scoreboard – contribution. Doesn't integrate with Play HQ, AT asked wanderers how they do it, they operate two machines. We can have a cricket night – big bash game, bring a beanbag. Move \$1,000 contribution (KK) all in favour, passed. KK to investigate how to use Play HQ better.

General Business:

Term 4

Training one or two nights a week Term 4

Host Games against other schools

JTAS in BNJCA

Intro to cricket – week 3, find majority date approval.

Check school calendar for when year 12's go.

BNJCA – start in Term 3.

Queensland cricket runs Blast for years 1, 2, 3 in Term 3 preferable. AT to ask if this is possible. Makes 9 months of cricket.

Trophies – reuse what we have, ask Charmaine Quinn if she can use her contact and take on this task. Action: AT to find trophies, TLR to ask Charmaine about trophies, KK to provide list of awards so we know how many trophies we need.

Next Meeting Date: not decided

Meeting Close: 8.07pm
