- Karen to advertise next meeting 8th June- wine and cheese in *the Link* and *Connections*. Julie to arrange cheese platter, Karen to bring wine (Tyrrells) and glasses.
- Promote trial game and Old Boys Vs 1sts with BBQ, encourage families to stay and socialise.

UHL Sport and ISSA – training underway, games start next week.

Presentation dinner – brief discussion of logistics. Date booked. Karen to start investigating caterers.

General Business

- Karen to send report to Association after each meeting as Julie has been unable to attend last 2.
- Tony has set up a Facebook page for UHL / 1sts Football, using this media effectively to communicate training dates, changes, games etc.
- Julie suggested moving our AGM to the end of season rather than part way through off season when little interest or participation. Thought to be of value particularly for future touring teams. Karen to seek clarification from Association.

- Tony discussed the absence of tradition of lunches for 1sts as is done with other sports and teams. To discuss with Bruce Robinson and get feedback.

Meeting Closed 20.25
