

Wednesday the 6th of May was our Football Supporters Group meeting date, We had our committee and Bruce Robinson attend and 1 parent, Jean Lorenzo.

We have been concentrating on our first major fundraiser for the Football tour being the Met North Cross Country event that is taking place on the 26th of May, apologies that we have not attended the association meeting tonight as we are hoping to be home resting due to the big day we are hoping to have today. We have had a good response from parents to help in the canteen for the Met North event which will take a heap of pressure off the committee. Met North Cross country is expecting approximately 800 competitors.

We are also helping out with the 4 day Touch football carnival in 2 weekends time and are sharing this with the touch and hockey supporters groups. This is also part of our tour fundraiser.

Uhsport cup has Kicked off for us now and training has commenced, unfortunately we had a loss in the first game against St Pats although our team is still meshing together as our football term has not started yet unlike some of the other teams that we are playing who have been playing and training for the last 2 terms. We discussed a few items including the Uhsport cup, Fund raising and 2015 Football tour to Singapore.
