Confirmation of Minutes from previous meeting -Samantha Gray seconded by TLewis 5. Business or Actions arising from previous minutes/meeting – as tabled 6. Correspondence – as tabled 7. Treasurer's report – Attached 8. President's report <p>Firstly I would like to thank all the parents and players for a fantastic season so far. With our last home game on Saturday against St John's I look forward to seeing you all at the games cheering on our girls. I would like to extend the Committees thanks for all the bakers at each of our home games, your lovely products have helped us raise money to be used for development programs for next year's season as well as some events and extras we have planned for next season. Gala Day was a great success, with some great results from all the teams. The stall raised a small amount of money but hopefully we can grow this support. Pink Day, on the weekend opened with lovely weather and many supporting the pink theme. Our raffle was very successful and raised over \$300. The first prize was won by ticket red A28 – the Darley family, with second prize going to ticket blue E48 – Lauren Stanley and third to ticket red A23 – Charlotte Gray. The cupcakes from our terrific bakers added to our fundraising with over \$400 profit for the day. On Sunday 1/6/14 we ran the canteen and parking for the Holt Bolt. With a 5.30am start our small but dedicated group of volunteers arrived not knowing what to expect. I would like to thank the following people for their dedicated effort on Saturday set up and Sunday: Kath and Katelyn North; Trish, Phoebe and Dave Lewis; Sandra and Lauren Stanley; Russell Patterson; Moira and Gabby Dunn; Suellen Rush; Keely and Hans; Malcolm, Madeleine, Charlotte and Jarred Gray I would also like to thank the following people for their support with the food; Rod and McDonalds Bracken Ridge, Jack Purcell Meats, and Coles at Albany Creek And Richard Holt and his team for allowing us to be at the event, Claire Jackson, Debbie Lever and Kimberley Reid for the expert advice on planning an event like this. With the cars streaming in from 5.45am, Maddy and Phoebe manned the back gate, with Russell expertly packing and racking the car park. Charlotte, Lauren, Keely and Hans manned the front gate and the car park was covered. In the canteen the hard work began, with the eggs, bacon and sausages on the grill (thanks to Malcolm for cooking all day) our lovely ladies on the counter and the competitors starting, we watched, and as they returned covered in mud, happy and tired but most importantly hungry the day began. At 4pm with the last competitors coming in we finished the day, not covered in mud, tired and happy and more thirsty than hungry. We had a huge success on the day raising over \$2000.00 with the efforts of our small band of volunteers. I hope the next time we run an event we can inspire more volunteers to join us in our success. Finally I would like to the hard working committee who in the background have been supporting</p>			

this season and planning a bigger 2015 season, the coaches who give up their time to the girls, the umpires who make sure we can play each week, the parents who deliver and collect the girls from training and the games, wash the smelly socks, and cheer every game no matter the result and lastly to the girls who play every week with determination, strength of character and pride. Good Luck this week and into the finals. **Samantha Gray**

Also, I will be having a meeting on Thursday (12th June), with Neil White to discuss the 'mini' tour. I will advise the outcome.

9. **School report** – The JTAS & TAS breakup Breakfast will be held on 26 June @ 7am at the back of the DT centre. We will offer bacon, eggs, sausages, bread and OJ.
The Junior development day (hook into hockey program), will possibly be held in the last week of October, to be confirmed.
Mr White has requested training shirts for the hockey players. Possibly white as red and green are already being used by other sports.
10. **General Business** – General discussions around possible tour options, accommodation etc.
The school will be running the fair again next year and we discussed possible projects that we could request 'fair' funding. Options discussed was a shed near the fields to replace the gazebo containing a canteen and toilets, this would be beneficial to many sports that use this area or possible seating at the fields?
Possibility of producing a hockey flyer to put into Year 7 orientation packs
Inventory, approx 80 pink bands, 16 sold on pink day. Next year they will be available on flexi schools.

Next Meeting: 29th July 2014 @ 6pm

Meeting Closed : 7.10pm
