The alternative was to raise a cheque & cash it but takes time to process paperwork - weeks seemingly! I will organize a cash float & bring it along on Saturday I have to be there at 7:30am as have to do year 9 rugby tour raffle that day won't be able to help out with HSG canteen</p> 8. President's report – Attached <ul style="list-style-type: none"> • Development Day- possible date week 4 or 5 in Term 4, after school • Pink Day-HSG to run a raffle (hockey gear donated by Rugby) 9. School report <ul style="list-style-type: none"> • Year 7 & 8 Combined- Games are hopefully now going to be played at 8am to allow our club players the opportunity to represent SPS. Unfortunately, the last three matches have had to be 'forfeited' due to a lack of players. NW raised the point on a few occasions with Tim Hughes in preparation for next season regarding numbers. NW has requested that we consider filling all sports teams in the term prior to opening up C & D teams etc. • Year 9's- Are beginning to play some good hockey in patches but once again, due to the shortage of players they have not been able to sustain the competition. • 2nd Team- Playing well with some decent results. Currently holding sixth position on the table. • 1st Team- All players demonstrating good commitment and dedication to Fitness and Training. The team are consistently playing good quality Hockey but need to capitalize further on the opportunities when created. We have beaten teams but not by the score lines that truly reflect the games. Currently the team is in first position on the ladder having won all three games. • Tour (Easter next year)?????- SG & NW exploring the possible venues for a Tour next season. Considering taking 1 X Middle School Team (14 girls?????) and one 1 X Senior Team (16 Girls????). The purpose is to have pre-season build up for the TAS matches in 2015. Also, we are hoping that it could dramatically increase numbers for the season ahead.

- Discussions for organisation and planning for Gala day, Pink day and Holt Bolt continuing
