- a. The junior school hockey program is up and running with the following activities being run in Term 4
 1. Hook IN2 Hockey- run by BWA. Registrations have been slow but in the last few weeks these have grown and we have a good participation result across all year levels from Prep to Year 6
 2. JTAS training for Tear 1 begins on 28/10/14
 3. Junior School Development Day on 4/11/14 with BWA and Qld player support.
 4. Funding of the Junior Development Day is in the budget for this year.

- b. The Tour planning is continuing with enough girls signing on however we will need to increase numbers to enable enough subs. We are hoping it will gather momentum in the next few weeks.
 1. Funds of \$2000.00 has been approved by HSG to be allocated the cost of the Tour bus to help reduce cost of the Tour.

- c. Sponsorship of the Hockey Bags has also been sourced.
- d. Sign On via Flexi Schools has been well received but paper sign on forms have also been requested.
- e. Fundraising in 2015 is being looked at.
