

General Meeting – Thursday 26th March 2015

Meeting Opened

This JSSG General Meeting followed the AGM and due to limited time, only urgent matters where tabled.

In Attendance

Becky Mammen, Kathy Lollback, Leanne Linton, Helen Thew, Michi Grant, Marian Lynch, Marianne Connolly, Cheryl Wegener, Helen Duncan, Sue Elliott, Jamie Bird, Roseanne Callaghan, Robyn Kozera, Corinna Sandys-Brooke, Sarah Reilly, Tara Bartlett, Lisa Andrews, Greg Smith, Kathryn Wadsworth, Sebastian Fick, Jamie Petterson, Sandra Stanley, Henry Stanley, Lynette Richards, Todd O'Rourke, Richard Frenken, Jacqui Melck, Christopher Melck, Merita Hammond, Chris Hughes, Nicole Stevens.

Mother's Day Stall

Kathy Lollback reported

• Year 1 families have been working with the JSSG to start preparations for the Mother's Day Stall. The CPLs have done an amazing job organising volunteers to wrap gifts, create posters and make price tags etc. The FSUR has been submitted to the school and the stall will again be held at the bus shelter near the Attunga Street Carpark on the 7th and 8th of May. Year 6 students, who are part of a service group, have volunteered to help serve. A raffle will be held. The Vice President 1 position has overall financial responsibility for running this stall. The stall therefore falls under Jacqui's remit.

Thank you to Kathy for all her hard work.

Action: Jacqui to liaise with Kathy and provide support.

Canteens

Sue Elliott reported:

• Canteens are usually run by the JSSG at the Junior School Cross Country Carnival and the Athletics Carnival. As, the School has decided that only fundraisers that encourage healthy eating should be allowed, what changes should be made to the products sold at the canteen? In the past the JSSG has sold lollies, chips, drinks and baked goods. When fruit was offered it did not sell.

Discussion

- Becky explained the background to the healthier eating drive which has been set out by Robin Cox in the "Fundraising Guidelines". No Iollies, donuts, soft drink or chocolate may be sold during school hours *at events which are being held purely for fundraising purposes*. Canteens do not fall under this umbrella for now as the event does not have solely a fundraising purpose. The School's intention is to move forward in small steps. Previous discussion at the Association has noted that it is totally impractical to ban sausage sizzles and burgers (on the basis of fat content). Focus should be on the quality of the product.
- Perhaps the JSSG should consider some small changes and, for example, not sell lollies but still ask for donations of baked goods. There was broad agreement on this.
- Krazy Lemon is a healthy alternative to Snow Cones. The JSSG could consult with Helen Sheppard about hosting a Krazy Lemon stall during the carnivals. They operate on about a 20% profit being returned to the host school. Becky offered to obtain more details as she is already liaising with Krazy Lemon on behalf of the Fair Committee

Action: Sue to liaise with Kathryn and consult Helen Sheppard about inviting Krazy Lemon to the JS sport carnivals. Becky to contact Krazy Lemon for further details.

Carpark Raffle

Becky asked whether the Carpark raffle for this term should go ahead. Discussion

• The viability of holding an auction for the car park was discussed. Ultimately it was decided that the raffle would continue in the usual format with some timing changes. The draw would take place early next term as the end of term was so near. Tickets would be sold on flexischools over the holidays and at the bus shelter in the last week of school. Robyn Kozera offered to provide the carpark raffle posters from last year.

Action: Raffle to be put on flexischools and Jacqui Melck to sell raffle tickets at the bus shelter. Jacqui and Sandra to liaise with Kathryn about whether VP1 or VP2 will have overall responsibility for the raffle.

Thank you everyone for attending. The next general meeting and AGM will be held on Thursday 7th May 2015 in the Tooth Staff Lounge. Meeting closed at 8.40 pm.

ACTION TABLE

Jacqui to liaise with Kathy and provide support for the Mother's Day Stall.

Sue to liaise with Kathryn and consult with Helen Sheppard about allowing the Krazy Lemon van at the carnivals.

Becky to contact Crazy Lemon for further details about van.

Robyn Kozera to provide the carpark raffle posters from last year.

Raffle to be put on flexischools and Jacqui Melck to sell raffle tickets at the bus shelter.
