

Netball season is going well with a couple of teams holding top spot on the ladder and others remaining in contention for finals. Pink Day is the last home game and the NSG will host a Breakfast Bar rather than a barbecue to change it up to see if we can garner more interest from the community. This Friday sees 8 netball teams go to a carnival at BNA against a number of schools outside TAS competition, which is exciting for the girls. The netball break up dinner will be held on Friday 14th July this year and we have organised a great guest speaker for this event.

Melissa Liessi
NSG President
