Monthly Netball Supporter Group Report for Mar 2018

Financial Summary

Currently NSG have projected funds available (after commitments) of \$6,049.77, which is a healthy balance for the start of a tour year. The NSG donated \$4,300 in February and will donate a further \$3,400 (which came from assisting at triathlons and a half marathon), for the netball tour, taking place in April 2018.

Performance

Senior teams have been practicing for tour to NZ. Tour begins April 3rd and girls are getting very excited.

Trials almost completed for all netball teams for Term 2 games. There will be a total of 12 teams across the middle and senior schools (including three Open teams). Sufficient coaches are available for all teams.

Junior school teams have started training.

St Paul's is hosting a NZ netball team on Thursday 26 April in afternoon.

Events

The NSG have not been able to fill the role of Vice President for 2018, despite advertising the role both within the NSG, to the netball community and on NSG Facebook page.

The NSG have assisted at 2 Bribie Triathlons so far in 2018, (with the money raised going towards funding kit and lunches for tour girls).

There will be a Tour dinner at Sippers for the tour girls and their families on 28 March, where girls will receive their kit.

There will be 4 home games in Term 2 and the NSG will be doing a BBQ at each, as well as a car wash at one of those games.

Help Needed/Offering

Nothing to add this month.
