Monthly Netball Supporter Group Report for May 2018

Financial Summary

Currently NSG have projected funds available (after commitments) of approximately \$9,011.95. This includes income pending from 2 BBQ's this term, the Mocktail Event, the Monster Raffle and the Mother's Day raffle.

Performance

The girls have been playing very well. Currently the Firsts, Seconds, 8B and 8C teams remain undefeated. Fabulous work girls!

Events

There will be 2 more home games in Term 2, with the NSG doing a BBQ at each, as well as a car wash at one of those games on Pink Day as fundraisers.

The NSG hosted a Mocktail function (with mocktails and food prepared by Grade 11 and 12 HLT students) as a fundraiser on Friday 11 May at 5.30pm. It was a great night enjoyed by just over 50 students and family members. The HLT department and students are to be congratulated for the delicious mocktails and food, as well as their very professional waitering/waitressing skills.

Two of the grades 9 netball girls enjoying a Mocktail!

The NSG is jointly running the JTAS canteen (with the JSSG) on 25 May 2018 as a fundraiser. It should be a busy day with over 1000 (hopefully hungry) students competing.

The NSG is also handing out water at the Queensland Half Marathon at Sandgate on 3 June 2018 as a fundraiser.

Help Needed/Offering

Nothing to add this month.
