

On Behalf of the RSG

May Report

We have had a very good start to the Rugby season this year. All our TAS sides are in the top four with our 1st XV being undefeated thus far this year. We are fielding full competitive sides every week which have benefited from programs put in place some four year ago. Our sides have been able to develop depth through improving basic skills at trainings. The RSG will continue to support these programs into the future.

Our teams have been frustrated by the amount of "no games" we have had this year. Three Schools, West Mac, CHAC and St Johns all have very limited numbers and we have been trying to find other Schools to play. Our 2nd XV have only played two out of four this season and with the CHAC game a no go they will miss 3 games out 7. I will concede that Rugby at St Paul's has not always been strong but we have always played the game.

The improvements to the Canteen have been a success and by the end of the term two the kinks will be worked out. The RSG, along with the SPSSA will have some guidelines developed for the Canteens operations soon.

The term two sports held a joint fundraising Monster raffle with the winners being drawn on gala day past. Each group received and percentage of profits inline with percentage of tickets sold and it was great to see each of supporters working together.
