

St Pauls School Touch Football Supporters Group

Presidents Report 14th October 2016

The 2016 Touch Football year has been an eventful one with success on and off the field.

On the field we enjoyed a great TAS season with ultimate success (2nds premiership) and some great participation and improvement throughout the other teams.

The kids have been fortunate to have some great coaching and the TFSG appreciates and thanks all coaches (teachers and past students) for giving their time.

I would also like to acknowledge the amazing energetic efforts of Erica – without her drive and passion the touch footy scene at St Pauls would not be what it is today!

Paul Sullivan has created a wonderful “extension/growth” environment for our more serious athletes through the South Pine Touch extra-curricular competition and this has been complimented nicely by the entry of 2 teams into the All-Schools carnival recently completed at Whites Hill. These programs along with the work being done with the younger teams and into the junior school is really building a true Touch Community and I for one am proud to be involved in any way that I can.

Off the field the TFSG has made significant contribution to the procurement of new playing strips for all teams. This was made possible through the generosity of several sponsors who were largely recruited by one committee member...who prefers to remain nameless.

Thanks to our generous sponsors :

- Remax Strathpine (1sts)
- SRJ Walker Wayland
- Livi Paper
- Gerni
- Oates
- Hanleys Online (2nds)

The TFSG also supplied training shirts to all players this year funded from the various activities carried out including:

- Movie night
- Zooper Dooper sales
- Raffles

I would also like to thank our PTCs who stepped up to help the respective coaches throughout the season. Thanks also to the TFSG committee members for their support and assistance throughout the year and a fond farewell to Adele Engelbrecht, Warren Hanley and Lina Quinan who will no longer have children at the school....

Finally, to the players and parents, without you the TFSG would have no goals or ambitions. Well done for getting to training and getting behind your teammates and coaches.

I hope to see all of you back next year with a few more of your friends and can't wait to see the new crop of touch stars coming through from Junior School.

Stay in Touch!
