Presidents Report 28/3/17

The boys Volleyball Season has been a highly successful one and is a fantastic position for the sport to be in.

The VSG are now in off season so there is nothing of note to report.

- Thursday 27th April there will be a break up for the boys' season in the Tooth centre which was postponed from the last week of term due to the weather.
- An expression of interest session will be held with a view of taking teams to Melbourne for the Australian Schools cup. This is a great opportunity for the players to advance their skills, network with peers from around Australia and further enhance their educational experience in an out of school setting.
